

FOR EVERY
COMMUNITY

Reaching out to
every Community

ABOUT US

We are a new community and church made up of people living in and around Oxford. Joining in and being part of Hope Vineyard means that we can have the resources to reach out together, both locally and abroad.

There are 3 steps that will help you feel a part of things here: finding a place to serve, engaging in community life, and giving financially.

As each additional person accepts this invitation to get involved, we take a step closer towards our goal of reaching every community with God's love and power.

SERVE

Email: serve@hopeoxford.org

Serving is a key part of joining in. We do it because we are committed to one another.

There are lots of opportunities to serve and these will continue to develop.

We'd ask you to consider what you'd like to do on a monthly basis. This activity may be linked to your skills or simply seeing a need in a certain area (e.g. set up, media). To find out more, email the link to the left or talk to Owen B.S (07817987592) or Josh Kay (07971828408).

"Giving starts with receiving; it comes from a place of thankfulness and ends in complete trust in God."

Hope Vineyard est. 2017

Hope Vineyard is entirely funded by those who generously give. As we trust God with our finances, our relationship with God deepens and our perspective about money is transformed. Joining in financially allows us to reach out to others. To give, or to ask questions, please use the links provided, talk to any of the leaders or look on the website.

CONNECT

Sundays 10:30am, and midweek life-groups

Having encouraging people around us is invaluable. As is discovering a God who loves us. Hope Vineyard exists to keep us connected with each other and to provide opportunities for people to connect with God.

Regularly attending both small and big gatherings has benefits both on a personal level, and for the community as a whole. Not only do we want to be people who are plugged into this network of support, we also want to invite new people in, so that many more can find a place to belong.
