## VINEYARD CHURCHES

Hope Vineyard is a Vineyard Church and member of the Evangelical Alliance. Vineyard Churches, are set up as both churches and charities. The Vineyard Movement is part of the wider Christian church,

There are over 2500 Vineyard churches worldwide with over 120 Vineyard Churches in the UK and Ireland. The name Vineyard has been given to the first churches in this movement as the Biblical symbol of a vineyard is essentially one of hope. It is often used to describe God's continued care for his people.

OUR STORY  
HOPE VINEYARD

## WHO WE ARE

We are a Vineyard 'church plant' for Oxford and the surrounding area that began in a living room in Autumn 2017 after Josh and Katie moved from Trent Vineyard Church, Nottingham.

Inspired by Jesus, we care about the things he cared about and engage with everyone and anyone curious about a God who loves them.

We don't do this alone; we join many church communities in the area. We started Hope Vineyard to give an opportunity for new people to join in.

## OUR VISION

*Our vision is to see every community within and around Oxford experiencing God's transforming love and power as people come into contact with inspired apprentices of Jesus.*

In short, we do this is by creating opportunities for people to:  
**"Encounter Jesus, Be transformed, and Transform the World"**

We exist to change the culture within our communities for good, by listening to God and taking action.

## GETTING INVOLVED

It's great to have you with us. We'd love to welcome you to be a part of Hope Vineyard. We meet in and around Oxford to support each other and also to reach out to others.

Getting involved and finding your place means that we can be invested in, and reach our potential. In other words as we 'find home' together, we can reach out and 'share hope'.

For more information, talk to us, sign up to a Newcomers event or have a look at our 'JOIN IN, REACH OUT' flyer.
